

GYMNASTICS

NOTICE: As of 12/1/12, ONLY 1st time customers can receive a prorated month when starting a class. Otherwise, participants must pay for the entire month or choose to pay the daily rate of \$14.

Payments are due by the first class or children will not be allowed to participate. Receipts MUST be provided to the coach for proof of payment. You may ask the front desk for a copy of your receipt.

Watch days are the first Monday and Wednesday of each month. We ask that parents and siblings not sit in the gym on non-watch days. By following this rule, you will limit the distractions to your gymnast, and they will be more focused in their class. Please help us run a fun and safe environment.

All classes require 5 participants to start
