**WORK SESSION ITEM 2:**

Discussion ensued concerning Camden County defunding the PSA. Camden County Board of Commissioners resolution states the PSA has 90 days to provide requested financial information. Executive Director Cason stated he never received a detailed document of what the County wanted, as far as financials.

Mayor Day was displeased with the way the Camden County Board of Commissioners handled the issue. Mayor Day stated that the board has continued to function in a way that is upright, and honors our citizens and community.

Mayor Morrissey says the duty of the PSA is to provide the best services to the citizens of Camden County.

Chairman Brant encouraged citizens to attend the PSA meetings.

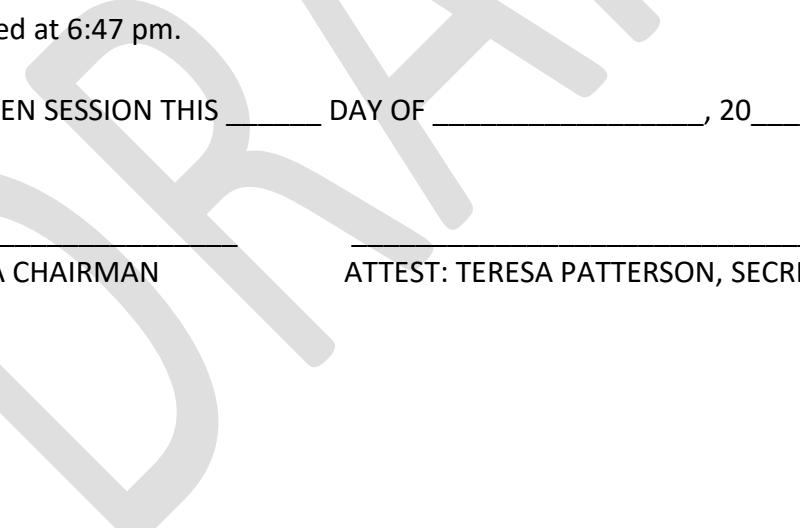

Mayor Knight stated the Board of Commissioners meeting was a chastising of the PSA. She has seen a lot of progress in the last 2 years.

### **WORK SESSION ITEM 3:**

Discussion ensued on potential options for PSA, if county does withdraw funding. Executive Director Cason provided a projected budget, if the county were to withdraw. With the 3 cities maintaining the integrity of the PSA, the PSA would be operationally sound.

According to Executive Director Cason, the impact would have little to no effect on the status of the budget. There would be a reduction of 4 full time staff members. The PSA would no longer maintain the county parks, so maintenance costs would go down. Unincorporated kids and citizens using the facilities would pay increased fees.

Meeting adjourned at 6:47 pm.

APPROVED IN OPEN SESSION THIS \_\_\_\_\_ DAY OF \_\_\_\_\_, 20 \_\_\_\_\_.
